Hey Guys,

So that President's Day Jam was fun,  
no? I think so, so I'm emailing to see if  
we can get another thing going.

I know some of you know Dylan Cate.  
For those of you who don't, he was  
Vassar '08. He's a good drummer and a  
good guy. He's going to be in town from  
6/27 - 6/29, so it'd be cool if we could  
get something together for when he's  
around. 6/27 is out since he's getting in  
very late. And later Friday night, 6/28,  
is out because we're going to a Wayne  
Shorter show starting at 8. My  
preference would be Saturday, but if  
sometime Friday is better for more  
people I could possibly get out of  
commitments. Would a jam session  
either of those days be possible at the  
Yes Noyes space, or some other  
space?

And I'm going off of the President's Day  
email list, so if I didn't include  
someone, please add him/her. Hope we  
can work something out!

sweet, this is a thing i am really excited about -

alex, i don't know if we know each other but i went to vassar and graduated in '08. i look forward to the hit!

question - is there a bass amp at the spot we will be playing? also, what is the address?

dylan, you mentioned wanting to record - since i will be taking the train down that weekend, i would not be able to bring my whole rig, but could bring gear for a simple set up to record (one or two condensers in the room). if there is already gear to do a set up like that at this spot it might be prudent to use that instead? if available?

awesome! i am seriously looking forward to this musical reunion!

hey andrew-- i feel like we met at some point. i was a freshman in 07-08, so i think we crossed paths, probably through Jake and the rest. Looking forward to hanging/playing!

sweet! let's do this thing, Saturday Jun. 29th for whoever can make it. Let's say 2pm. Is that cool? The address is 127 Rogers Ave., Apt. 1R, in Crown Heights.

We do have a bass amp, as well as guitar amps, a keyboard, PA, and other stuff. Chris would be able to answer more questions about mics, etc, that might be available. Also, we might have a bass that you can use, but that's a question for Dan and Chris.

Cool. So who's coming? It would be good to know who to expect.. also, let me know if you have anyone you'd like to bring along. There's room to host a few more people in the basement, depending on how many of us are there.
